Re: Civil Action No. 4:14-cv-03066

My name is Meryem Ali and my case number is 03066. I dismissed Facebook Inc from this case and they will file the document this week. The other defendant Adeel Shah Khan was never served. I would like to dismiss the entire case. I can be reached at 504-275-5257. Please let me know if you need any other information.

Sincerely,
